This past year with Covid has been a great challenge for us in our nation and around the world. Thank God He has brought us through it and we continue to move forward. This Word to all of us is to call us to be holy & preserve what is holy. To be a peculiar, set apart people that will worship the one true God, honor Him and His Name & follow His commandments. We are to be set apart...not look like the world, not act like the world, but to look like our Father who is in heaven. God is a holy and sovereign and we are to not worship any other gods. His Name is Holy, Jesus, even demons tremble at His Name. Phil 2:10. He breathed His life into us and *all life is holy*. Gen 2:7 We are made in His image and likeness, this sanctified human life. "He blessed them male & female, and made them holy. Marriage is HOLY. We are to hold it in high reverence, high honor and not defile the marriage covenant. Sex is holy...it is the unique expression of love and divine intimacy. God says to us, "In your intimacy, you have the power to create life...be careful what you do with it." When He gave us dominion, He gave us power to create life and we will be held accountable for how we honor life...abortion is wrong, it kills life...murder is wrong. The Sabbath is holy...Ex. 20: 8 He blessed the Sabbath and made it holy, we are told to honor the Sabbath...the tithe is holy, we give back to God what is His & acknowledge Him as our source. our provider...When we follow these commandments and live according to them...we are His people. He is our

God, "He is Holy God and a jealous God." Josh24:19 He calls us to be holy...Because He is a HOLY God, He is not able to have sin come before HIM. Great iniquity & rebellion cannot stand in His Presence. It must be judged. His justice and righteousness demands it. In our nation, we have taken what is holy and defiled it...we have dishonored God...and we have permitted this to happen. We as a people, as a nation, as the church must return to the ways of God. We must seek the forgiveness through the Blood of Jesus Christ, shed for us to forgive us. This is the only way. Let us seek the Lord and let us be holy, for He is holy. May the Lord bless you all!

### *Ivy Our Greeter & Loved Pet*

It is with great sadness to inform you that Ivy our loved pet and greeter at Joshua's Haven went home to meet her Creator on last Thursday in July. She had a very important job. Ivy was there to bring love to all who come to clinic and haven. She will be surely missed.
